

# REVOLUTION BAR

# *Revolution Bar York - Carroll Design*

Working in conjunction with Carroll Design GOSS Marble have created many boutique interiors for restaurants, bars and private residences.

Set on the river bank just off Coney Street, Revolution is situated in a historical building, once housing the Yorkshire Herald Newspaper.

Working with the original features GOSS have helped deliver an interior design that has an urban chic feel using an exclusive black marble sourced especially for this project.

The flooring is Black Marquina from the new GOSS Marble Boutique Collection of Italian Marble.
