

LANCASTER BUILDING CHAMBERS

Lancaster Building Chambers Manchester - Carroll Design

Working in conjunction with Carroll Design GOSS Marble have created many boutique interiors for restaurants, bars and private residences.

Lancaster Building Chambers are one of the more simple and clean transformations, it is located on Deansgate in the heart of Manchester city centre.

This refurbishment project required stripping out and resurfacing the entire ground floor lobby of the building to create a welcoming and professional environment. The finest Goss Artemis limestone has been used to furnish the floor area providing a clean and refined overall look.

Custom cut skirting has been manufactured to match the tiling joints of the 60x60cm GOSS Artemis limestone tiles.

The threshold to outside is neatly trimmed in 10x10cm tumbled stone, Notus Noce & Notus Noir.
